01/2022/4 Minutes of the Previous Meeting and Update on Outstanding  
Actions.

The minutes of the previous meeting were accepted as a true record.

### 01/2022/5 Finance

We have in the current account £2840.21  
In reserve account £116.39

Councillors talked about how much they need throughout the year for grass and hedge cutting, it was decided that we would ask for £3000 for the Precept for 2022.

Clerk will inform Finance at County Council.

### 01/2022/6 Planning

One application has been received for 106 Tarnside at Braystones to make the double bow fronted window larger and also make a new garage and build another room using the garden.

No objections were had

### 01/2022/7 Correspondence from Clerk

Thanks were given to Colin and Norma Paine for helping Cllr S Hey to renew and make good the old noticeboards and also replace some, they look much better and should last a good few years.

Colin is also going to repaint and make good the noticeboard in Braystones and also the bench on the green in Nethertown, as this is needing some attention.

Councillors also talked about buying some oak planters for underneath all 4 noticeboards and to plant them up ready for Spring.

Clerk to purchase.

### 01/2022/8 Queen's Platinum Jubilee weekend

Councillors talked about how the Parish can mark the Jubilee year, it was decided that a bench to mark the occasion would be a lovely idea and hopefully be placed on the way down towards Nethertown Station, Cllr Mossop to look into where exactly it can be placed and what work needs done to sort the area out.

It was also thought to be a good idea to give the children of the Parish a memento, it was decided a small token of a Jubilee mug would be nice.

Clerk to sort.

01/2022/9 AOB

Litter is still a problem also fly tipping, the Council have been contacted.

Cllr S Hey has been in touch with the Enforcement Officer to say the works by United Utilities has finished and so the drains for the new houses for the run off water can be installed so as to try and alleviate the flooding and all the silt that runs down the road.

Grass verge also needs to be put back to how it was, after all the lorries etc have finished on the new estate.

Lorries need to be told to turn round in the village and not to turn round on the junction, as this is causing a lot of damage to property.

Enforcement Officer to be contacted about the start times and the finish times of the builders and also the lorries that turn up really early.

Meeting finished at 6.50pm.
